

**Walteria News Notes**

By BETTY MITCHELL  
Phone Lomita 2635-W

The Fidelis club held their meeting at the home of Mrs. O. B. Hamilton, Lomita, on Wednesday, April 25. The club met for a noon luncheon and spent the afternoon playing various games. Those attending were Mrs. William Coates, Mrs. Gladys Coates, Mrs. Lorine Harline, Mrs. O. B. Hamilton, Mrs. Phillip Hahn, Mrs. Paul Slonecker, Mrs. R. B. Sage, Mrs. Ada Flint, Mrs. H. S. Lawrence, Mrs. P. G. Lassen, Mrs. Effie Palmer, Mrs. D. C. Getchel, and Mrs. H. O. Conze.

Formerly lived on Las Cadenas avenue, until their home was completed. Grandparents, both paternal and maternal, live in Walteria.

Other congratulations go to Mr. and Mrs. John Roman, Newton street, who were also left a bundle by that long legged bird. This one was a girl, Kathleen Susan, born Friday, April 13, at the Torrance Memorial Hospital. Kathleen weighed in at eight pounds and eleven ounces.

Mr. Corbin McConahay, who has been spending the winter with his son and daughter-in-law, Mr. and Mrs. Ernest McConahay of 3314 Newton street, has returned to his home in Ohio via TWA.

An enjoyable time was had at the school auditorium last Friday, April 27, when the Cub Scouts of Walteria held their monthly pack meeting. About 30 parents and approximately 45 cub scouts attended the meeting. During the evening badges were awarded the deserving members, after which delicious refreshments were served by some of the mothers. Next the theme of the cub will be "Citrus-time." This is one of the most worthy services in our community, and thanks are extended to all the Den Mothers for their time and effort spent in making a "den" a success.

After spending the last few months eagerly waiting news, Mrs. Marguerite Sanders was rewarded by a visit from her husband, "Sandy" Sanders, whose ship, the S.S. Sitkoh Bay, docked in San Francisco last week. Sandy had to return to San Francisco Sunday, but will be home on an eight-day leave soon. Glad to hear such good news. We only hope more of our service men will be coming home on leave soon.

Congratulations this week go to Mr. and Mrs. Grant Lee, recently moved to Hollywood Riviera, on the birth of their boy, Christopher Leigh, who was born on April 16. Christopher Leigh weighed nine pounds and four ounces. Mr. and Mrs. Lee

**PE Carpenter, Welder Retires After 31 Years**

P. J. Robillard is vacationing in Salt Lake City today with the farewells of his fellow employees ringing in his ears and a check from them as a going-away present in his pocket.

Robillard, 67, retired this week after over 31 years as a carpenter and welder in Pacific Electric Railway's Torrance Shops. Although born in Collinsville, Connecticut, Robillard qualifies as a native, coming west in 1906 in time to see the devastation of the San Francisco earthquake.

During a two-year stay in Oregon, Robillard worked in a sawmill, harvested wheat, played semi-pro baseball, and met Joaquin Miller, the famed poet. In 1908, Robillard became a motorman with the Los Angeles Railway. He joined Pacific Electric in 1919.

"I'm proud of the many friends I've made in the Pacific Electric family," said Robillard. "And don't forget, I won the horseshoe championship of the Torrance Shops in 1926."

Mr. and Mrs. J. B. Mosley, Ward street, left on a two-week vacation trip on Tuesday, May 1. They will go to Davis, Oklahoma, for the purpose of visiting many old friends and several relatives. Davis was formerly Mrs. Mosley's home. Hope they have a nice trip.

Mrs. Margaret Dowd has returned to her apartment on Las Cadenas street after an absence of several months due to illness. She has been back at work at the library for several weeks.

Mr. and Mrs. Lynch have returned to their home in the east after quite a lengthy visit here, during which time they were presented with a brand new grand-daughter by their daughter, Mrs. Fleet, Ocean avenue. The Lynches left on Tuesday, April 24.

Miss Carol Olson, sister to Mrs. Thomas Fitzpatrick, Dana street, has decided to make her home here in Walteria. Miss Olson came here from Minnesota the first part of April. Glad she has decided to stay.
